VISITOR INFORMATION
The medical sector is moving towards the future in a more dynamic, digital and closely networked way than ever before. Mastering tomorrow’s challenges means keeping your finger on the pulse. Businesses, opinion leaders, trade visitors, decision makers and experts need a common platform that moves with the times. A platform that brings together medical expertise and on which knowledge is shared and the future defined – and that is always one step ahead when it comes to innovation.

**MEDICA 2019: where the world of medicine meets**

Come join us at the largest international communication and networking platform in the industry. Whether you visit Düsseldorf or link up virtually before the event using our matchmaking tool, the main thing is that you come together and find all that MEDICA has to offer even more quickly and easily with our new search system.

It has a lot to offer. Take advantage of this combination of the world’s largest trade fair for medicine, the leading supply market event for the associated production sector and a dynamic atmosphere to drive forward your success. At COMPAMED you can see the entire process chain at a glance and discover the current innovations that could shape your future innovations. The MEDICA START-UP PARK matches ideas and investors. A wide range of forums, conferences and events celebrate the topics and trends of tomorrow. All this is available the same time in the same place – for the synergy that will make MEDICA 2019 as successful as previous editions.

**Join us in Düsseldorf and be part of the world’s largest medical sector event.**
Discover the benefits and harness the synergy: the whole world of electromedical equipment, medical technology, OR technology and medical equipment all in one place. Use the largest meeting point in the sector to maintain your network, discover innovations and find new inspiration.
