Messe
Düsseldorf

Das **MEDICA HEALTH IT FORUM** ist Ihre Plattform für Innovationen. Top-Speaker und Protagonisten der Szene reflektieren für Sie in hochkarätigen Expert-Panels und Deep-Dive-Sessions brandaktuelle Entwicklungen im Bereich der digitalen Gesundheitslösungen. Dazu finden Sie auf der angegliederten Ausstellungsfläche themenbezogene Exponate aus Hochschulen und Forschungseinrichtungen und erhalten so ein umfangreiches und greifbares Bild der Zukunft IT-basierter Medizin.

Bei uns diskutieren die Vorreiter der Branche offen und über alle disziplinären und sektoralen Grenzen hinweg. Unsere Panels und Sessions bündeln sich dabei in vier Tages-schwerpunkte: Am Eröffnungstag thematisieren wir unter der Überschrift **„Patient-centric care & digital therapeutics“** verschiedene Aspekte einer modernen und nutzerfreundlichen Gesundheitsversorgung wie zum Beispiel den Einsatz von Voice-Tech oder aber Lösungen, die auf ein verändertes Verhalten der Nutzer abzielen. Der MEDICA-Dienstag steht bei uns im Zeichen von **„Big Data & AI“**. Hier bekommen Sie etwa fundierte Informationen über die 5G-Technologie und die daraus erwachsenden Möglichkeiten oder aber über den Stand der datengetriebenen Forschung. Über grenzübergreifende und EU-getriebene Digitalisierungsprozesse geht es dann am Mittwoch (**„Digitalisation in health without borders“**). Und am finalen Tag der MEDICA widmen wir uns unter dem Leitthema **„Socio-political determinants & healthcare trends“** beispielsweise der Diskussion sozialer Innovationen oder dem Trend zur „Consumerisation“.

Nutzen Sie die Chance, sich auf dem MEDICA HEALTH IT FORUM nicht nur umfassend zu informieren, sondern auch mit unseren Experten ins Gespräch zu kommen.

Wir freuen uns auf Ihren Besuch und Ihre Meinung!

The **MEDICA HEALTH IT FORUM** is your platform for innovation. In top-class expert panels and deep-dive sessions, first-rate speakers and protagonists of the scene will reflect on the late-breaking developments in the field of digital health solutions. To this end, you will find topic-related exhibits from universities and research institutions on the adjoining exhibition area, providing you with a comprehensive and tangible picture of the future of IT-based medicine.

Here, the pioneers of the industry will discuss openly and across all disciplinary and sectoral boundaries. Our panels and sessions are organised into four daily focal points: On the opening day, we will address various aspects of modern and user-friendly healthcare under the heading **“Patient-centric care & digital therapeutics”**, including, for example, the use of Voice Tech or solutions aimed at changing user behaviour. MEDICA Tuesday is dedicated to **“Big Data & AI”**. Here, you will be provided with well-founded information about 5G technology and the resulting possibilities or about the state of data-driven research. Wednesday will be all about cross-border and EU-driven digitalisation processes (**“Digitalisation in health without borders”**). And on the final day of MEDICA, we are going to focus on the discussion of social innovations or the trend towards “consumerisation” under the heading **“Socio-political determinants & healthcare trends”**.

Make use of this opportunity to not only gather comprehensive information at the MEDICA HEALTH IT FORUM, but also to talk with our experts.

We look forward to your visit and to your opinion!

Auszug einiger Referenten

4

Kenza Ait Si Abbou Lyadini,
Senior Manager for Robotics & Artificial
Intelligence, Deutsche Telekom

Dr. Nana Bit-Avragim,
Program Lead, Brandenburg
Medical School Theodor Fontane

Martin Eberhart,
General Manager Healthcare DACH General
Manager Healthcare DACH,
Nuance Communications

Oliver Gassner,
Head G4A Digital Health Intelligence,
EMEA, Bayer

Dates and Opening Times

18 to 21 November 2019,
Monday – Thursday from 10:00 a.m. to 6:00 p.m.

Tickets and Prices

The MEDICA Onlineshop opens at August 2019.
There you will also find the prices for the conferences.

www.medica.de/2130

Day ticket via pre-sale (eTicket):	€30.00
On site at the cash desk:	€80.00

4-day ticket via pre-sale (eTicket):	€89.00
On site at the cash desk:	€209.00

Day ticket for students, pupils, apprentices, people with disability, and pensioners:	€30.00
---	---------------

Catalogue (plus delivery costs):	€23.00
---	---------------

Order by email to katalogorder@sutter.de
Also available as a catalogue voucher with
free shipping at www.medica.de/2130

Arrival

From the **main railway station** with the subway lines U78
and U79 or the bus line 722

From the **airport** by taxi in approx. 8 minutes at a fixed price
of €20 or by bus line 896

From the **A44 motorway**, exit "Düsseldorf Messe/Arena".
To car parks P1/P2, then with a shuttle bus to each entrance.
Address for navigation systems: "Düsseldorf, Am Staad"

Travel and Accommodations
