

INTRODUCING NEXT GEN RADIATION PROTECTION APPAREL

FUSION DESIGN

VEST WITH ZIP CLOSURE

We have redefined the apron closure with the introduction of the zipper. It is more **hygienic** and easy to clean.

Zip closure provides additional panel protection and prevents accidental exposure with its snug fit.

INTRODUCING NEXT GEN RADIATION PROTECTION APPAREL

FUSION DESIGN

SKIRT WITH IN BUILT BELT

A novel **back support** to the doctor during long procedures.

This feature also allows size adjustment and makes it more comfortable for the user.
