## Digital Danish Pavilions at MEDICA/COMPAMED 2020

This year, Denmark is represented at the Virtual.Medica & Compamed with the first ever digital Danish Pavilions.

At this year's Virtual.Medica & Compamed on November 16-19, 2020, a strong group of Danish companies will participate and exhibit their innovative solutions at the Danish Pavilions, which – for the first time ever – are organized through a virtual platform.

The digital Danish Pavilions include exhibitors within the field of Electromedical Equipment, medical technology, laboratory technology, diagnostic tests, physiotherapy, assistive technology, orthopedic technology, commodities and consumer goods, information and communication technology, complex metal components, UV-curing and traceability for medical device manufacturers.

More specifically, you can meet the following innovative Danish companies:
