Perfect disinfection

Velodes® Scrub

Antibacterial emulsion for hygienic hand washing

Application:

Velodes® Scrub is a delicate emulsion for washing hands and the whole body. Perfect for doctors, dentists, nurses and people with sensitive skin, who wash their hands frequently. Neutral pH, the content of glycerine and coconut oil derivative allows everyday use without causing irritation. It contains panthenol which gives anti-inflammatory effect and accelerates skin regeneration. Gives the skin sensation of softness. It doesn't contain dyes or scented compositions. It has properties unfavourable to bacterial growth. The emulsion can be used in the food industry, healthcare facilities, schools, kindergartens and restaurants. Dermatologically tested.

Directions for use:

Apply a small amount of liquid on wet hands, rub to foam and rinse with water. Perform activities according to the WHO hand washing technique. Avoid contact with eyes.

Ingredients:

AQUA, SODIUM LAURETH SULFATE, COCAMIDOPROPYL BETAINE, GLYCERIN, SODIUM CHLORIDE, LAURAMINE OXIDE, PANTHENOL, BENZALKONIUM CHLORIDE, METHYLCHLOROISOTHIAZO-LINONE, METHYLISOTHIAZOLINONE, CITRIC ACID
