The map how we call "bandages"

People live in yellow area call bandages "LIBATAPE". LIBATAPE is a dialect in Kumamoto and surrounding cities.

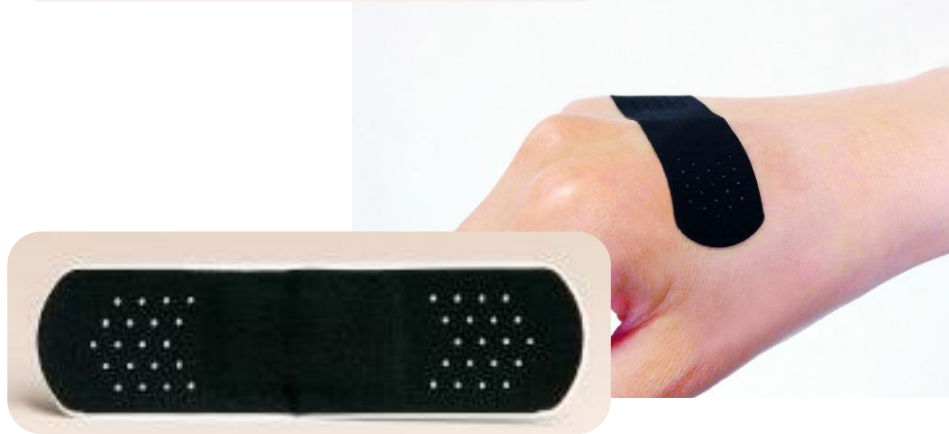

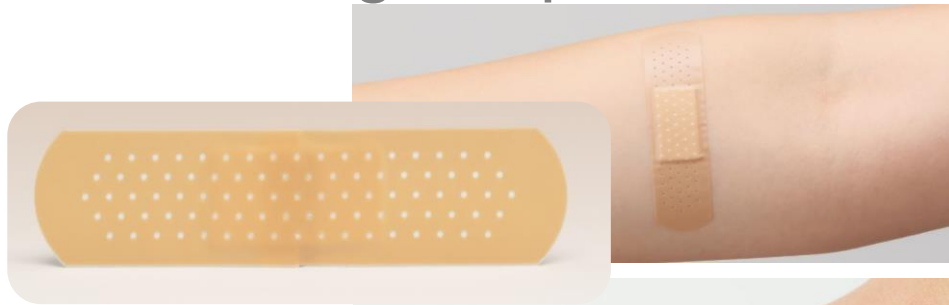

“日本で最初に絆創膏を作ったのは私たち **リバテープ製薬** です”

皇子旭光堂(現 リバテープ製薬)3代目の皇子義法が、戦時中に米軍が使用していた救急用の包帯をヒントに研究を重ね、フィルム上にガーゼをのせた救急絆創膏を開発。その後、ガーゼに消毒薬「リバノール」をしみこませ「リバテープ」として日本ではじめて製造販売を開始し、日本の高度成長とともに九州から全国へと普及していきました。
