Integrated Portable DR System

Versatile, and always ready to go

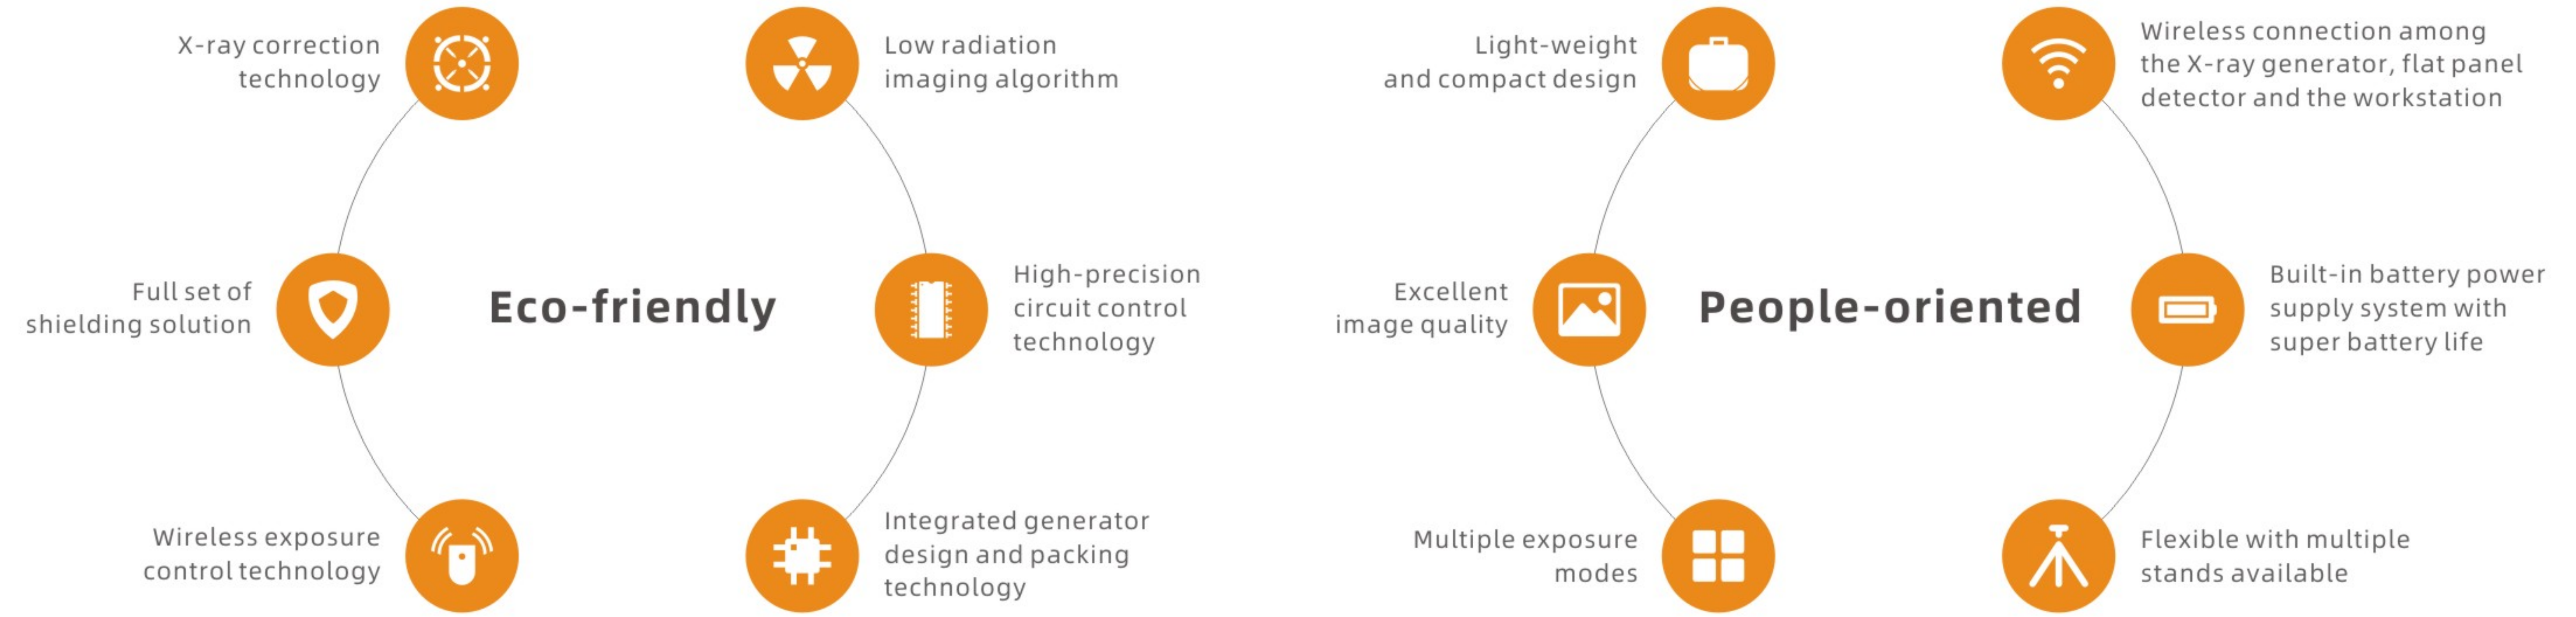

SIUI

Integrated Portable DR System

Adhering to the mission of "Technology for Life", SIUI encourages safe X-ray exam with as less radiation as possible. With eco-friendly and people-oriented concept, the portable DR diagnosis system series is versatile to apply in multiple applications and is always ready to go.

Application Diversity

Humanized design, excellent image quality, simple and convenient workflow, will bring you unprecedented new experience. Different functional stands facilitate wide applications.
