

**MANAGEMENT OF SKIN LESIONS**

# Medical Devices

For the treatment of acute and chronic wounds

**WELCARE**  
Esperti della Pelle - Alleati della Natura

# Algidress®

## EMERGENCY

## 3 actions in one product:

1. Trauma wound cleansing
2. stop bleeding
3. infection prevention

### FEATURES:

The gauze, ready to use, removes dirt and liquids from the wound to prevent infection.

The presence of Calcium Alginate reduces minor bleeding.

The thick viscose gauze retains debris, liquids and dirt. Suitable for all first aid services and during any outdoor activity.

### USE:

High resistance to torsion and stretching

Maximum softness to avoid skin irritation

High content of gauze solution (12 g)

Gauze size 20 cm x 20 cm
