

SKIN CLEANSING

CP WASH LOTION

Wash lotion for gentle skin cleansing

- fragrance, colourant and soap-free
- modern and mild ingredients, which are researched and safe
- dermatologically tested

CP WASH LOTION is a mild and skin-friendly liquid soap for frequent washing of hands, body and hair. It removes dirt gently but efficiently and is suitable for normal, dry and damaged skin. CP WASH LOTION contains natural ingredient Betaine and Olive Oil Esters which maintain the moisture balance and softness of the skin.

CP WASH LOTION is a specially developed for people with sensitive skin.

Colourless and odourless formulation is especially suitable for use in medical institutions, in food-processing industries and everywhere where it is necessary to wash hands frequently.

APPLICATION AREAS:

- for hand washing before hygienic and surgical hand disinfection
- for gentle hand and body washing
- for washing and bathing of patients
- for washing and bathing of infants and children
- for pre-operative washing and bathing

USAGE: For hand washing apply 3 ml to wet hands, foam it up with water, wash, rinse it well and then dry hands thoroughly. Pay special attention to the fingertips, the area between the fingers, the wrists and the palms. Make sure that your hands are completely dry before using hand disinfectant.

For body washing apply to moistened skin and hair, wash and rinse.

INGREDIENTS: Aqua, Sodium Laureth Sulfate, Cocamidopropyl Betaine, Glycereth-2 cocoate, Glycerin, Sodium Chloride, Betaine, Sodium Benzoate, Citric Acid.

CP WASH CREAM

Skin cleansing cream, no rinse

CP WASH CREAM is a cream-based sensitive washing emulsion for cleansing the skin without soap and water. It is used for skin hygiene of incontinent patients who are bedridden and immobile.

CP WASH CREAM is specially developed for people with sensitive skin and is suitable for a whole body wash. Unlike soap and water there is no need to rinse off.

CP WASH CREAM removes perspiration salts and unpleasant body odours effectively and leaves the skin fresh and moisturised. It will also help to reduce skin inflammation as it contains panthenol and grape seed oil.

CP WASH CREAM does not contain colorants or fragrance and is dermatologically tested. It is a perfect alternative in case of hypersensitivity to soaps.

USAGE: CP WASH CREAM can be used in hospitals, nursing homes and home care.

Apply a sufficient amount of CP WASH CREAM to soft washing glove and distribute carefully on the skin, let it work for a while and wipe it clean.

INGREDIENTS: Aqua, Glycerin, Glyceryl Stearate, C12-C15 Alkyl Benzoate, Cetearyl Alcohol, Vitis vinifera (Grape) Seed Oil, Olus Oil, Tocopherol, Ceteareth-20, Panthenol, Acrylates/C10-30 Alkyl Acrylate Crosspolymer, Decylene Glycol, Phenoxyethanol, Caprylyl Glycol, Sodium Hydroxide.

SILKY HAIR ECO SHAMPOO

Shampoo for all hair types

The gently perfumed nourishing and moisturizing shampoo is designed for all types of hair, from dry to normal, and is intended especially for frequent use. The product is easily rinsed off and leaves hair soft and shiny.

The shampoo contains natural components such as betain and aloe vera extract which provide a long-term deep moisturising and softening effect. Natural Betaine gives hair strength, shine, softness and elasticity and protects the scalp from dryness. Aloe Vera extract protects, moisturizes and strengthens the hair and speeds up its growth. The shampoo nourishes the scalp and helps to maintain hair moisture balance.

INGREDIENTS: Aqua, Glycerin, Sodium Laureth Sulfate, Cocamidopropyl Betaine, Sodium Chloride, Betaine, PEG-7 Glyceryl Cocoate, Sodium Benzoate, Aloe Barbadensis Leaf Juice, Citric Acid, PEG-4 Rapeseedamide, Hydroxypropyl Guar, Hydroxypropyl Guar Hydroxypropyltrimonium Chloride, Potassium Sorbate, Parfum.
