

SKINCARE

BIO GLOVE CARE

Water repelling skin protective cream

BIO GLOVE CARE is a quickly absorbing protective hand cream. It generates a barrier layer between skin and external environment. Detrimental agents cannot get in contact with the skin, but at the same time skin retains its normal breathing. BIO GLOVE CARE protects the skin from detergents, weak acids, alkalis and other irritating substances.

INGREDIENTS: Aqua, Carthamus Tinctorius (Safflower) Oleosomes, Dimethicone, Glycerol, Acrylates/Acrylamide Copolymer, Mineral Oil, Polysorbate 85, Xylitylglucoside, Anhydroxylitol, Xylitol, Citric Acid, Phenoxyethanol, Decylene Glycol, Caprylyl Glycol, Limonene, Linalol, Citral, Geraniol.

250 ml / 500 ml
